## **Important Guidance**

- ❖ The CAM making a referral to a housing resource does not guarantee that you will receive this assistance because assistance is dependent on several factors including: Prioritization, availability of funding, your homeless status changing, and/or your ability to provide required eligibility documents.
  
- ❖ Households that score Rapid Re-housing, that are still homeless will be contacted when a Rapid-Re-Housing resource is available. Please note- there is prioritization criteria that determine who will be provided this resource first.
  
- ❖ You completed a housing plan at the time of the SPDAT assessment and should be working on the following to address your housing need:
  - 1- \_\_\_\_\_
  - 2- \_\_\_\_\_
  - 3- \_\_\_\_\_
  - 4- \_\_\_\_\_
  - 5- \_\_\_\_\_
  
- ❖ **HCV Only-** If CAM completed a Housing Choice Voucher application with you, you should have received a HCV Client Information Sheet. If you did not- please see your shelter case manager, or ask CAM when they return next week.
